To You, Mr. West,

MR. DONALD J. WEST

We Dedicate the 1965 Mighty Mohawk

For his tireless efforts and overwhelming enthusiasm toward each member of the 1965 class, we the seniors wish to dedicate this edition of the MIGHTY MOHAWK to our principal, Mr. Donald J. West. We are grateful for the guidance and friendship which he has always shown us and we wish him well in his new work.

Problems do not stop when school is out and neither does Mr. West.

Graduation was a big event but Mr. West had everything under control.

CREED

We are the Future Homemakers of America.
We face the future with warm courage and high hopes.
For we have the clear consciousness of seeking
old and precious values.
For we are the builders of homes,
Homes where living will be the expression of
everything that is good and fair.
Homes where truth and love and security and faith
will be realities, not dreams.
We are the future Homemakers of America
We face the future with warm courage and high hopes.

This year the FHA toured the Tiffin State Hospital, gave a style show "50 Years of Fashion" and entertained the Carey FHA chapter here.

The Mohawk FFA has completed a busy, educational, and successful year. Many students have brought honor to the school through their participation in activities in both County, District and State competition.

Harold Karcher became the first Mohawk FFA member to be elected to a state office. He is State Association Secretary for 1964-65.

Paul Baum, Don Heilman, Tim Wilson and Joe Lininger received second place in the District Land Judging Contest and Ninth in state competition from among 45 teams.

The Future Teachers Club is one of the most active organizations in school. They are asked to assist in many activities one of which is that of taking over for a teacher who is going to be absent from her class for a part of the day. Their one big day is when the members take over all the classes and teach under the supervision of the regular teacher.

Several scholarship awards to worthy seniors are made by this group each year. This year they were able to give eight fifty dollar awards to members of their group who are planning to go into teaching.

Marching Band

The Marching Band began its work in August with a week of band camp. During the football season the band presented shows for all the games. In addition, this group has marched in several parades and played at the Wyandot County Fair.

At the close of the football season the concert band began to prepare its program and in April presented its concert. Out of this group originated the pep band and the clarinet clan. Both groups participated actively in programs throughout the year.

The music department has been very successful in its attempts to show its fine abilities.

The Ensemble has appeared approximately twenty times throughout the year. Its rugged schedule called upon the members to do more than the average student might do. This year the group, consisting mostly of seniors, was fortunate in having many well developed voices.

The Mass Choir was open to anyone who had the desire to sing. This group participated in both the Christmas program and the Baccalaureate services. Members of this choir were chosen after an audition to sing in the Select Choir. This group received a superior rating in both the district and state competition. These ratings were a first for any Mohawk choir.

Another project of the music department was the high school musical, "Kiss Me Kate". Its success can be accredited to the efforts of the cast of nearly one hundred, many other high school students and the directors, Mr. Cassidy and Mr. Culver.

Coaches

On the gridiron, the Warriors placed 7th in the North Central conference this season. Their final league standing was 1-5-1, and they completed the season with a 2-7-1 record.

With few returning lettermen this year's squad's biggest problem was inexperience. But under head coach Donald Sanderson and his assistants, the boys kept a good spirit and a will to win.

Most Valuable Player

Jack Burks

Mohawk High School's baseball team finished the past season in a position of spoilers. In one of the most mixed up and worst weather conditions for playing or attempting to play a schedule in years. The team turned out to be one of the finest teams around defensively but several boys counted on for hitting never got started. The defensive ability was shown by the fact that they turned in 13 double plays in the first eight games.

Jack Burks, Senior will be greatly missed next year. He played shortstop. Jeff Grummel patroled center field. His speed and throwing arm was very valuable. Dan Kenner's catching improved with each game. Fred Burks, Steve Miller, and Bob Stover filled their positions well. These Seniors will all be missed next year.

Jeff Grummel has the honor of being selected to the squad of twenty eight to participate in the East-West Classic to be played in Columbus in June.

Track

ROW ONE: Steve Wood, Jake Moyer, Tom Dutcher, Steve Holt, Kenny Stockmaster, Conley White, David Granata, Ron Ames. ROW TWO: Fred Burks, Ron Flood, Jed Geary, Jack Bogard, Steve Cochran, Daryl Dutcher, Bob Stover, Wayne King, Roger Jump, Denny Stover, Jim Goetz, Coach Schrock.

When the call came for track practice quite a large group of boys responded. Many of the boys were inexperienced and our season turned out to be a mediocre one as far as firsts were concerned.

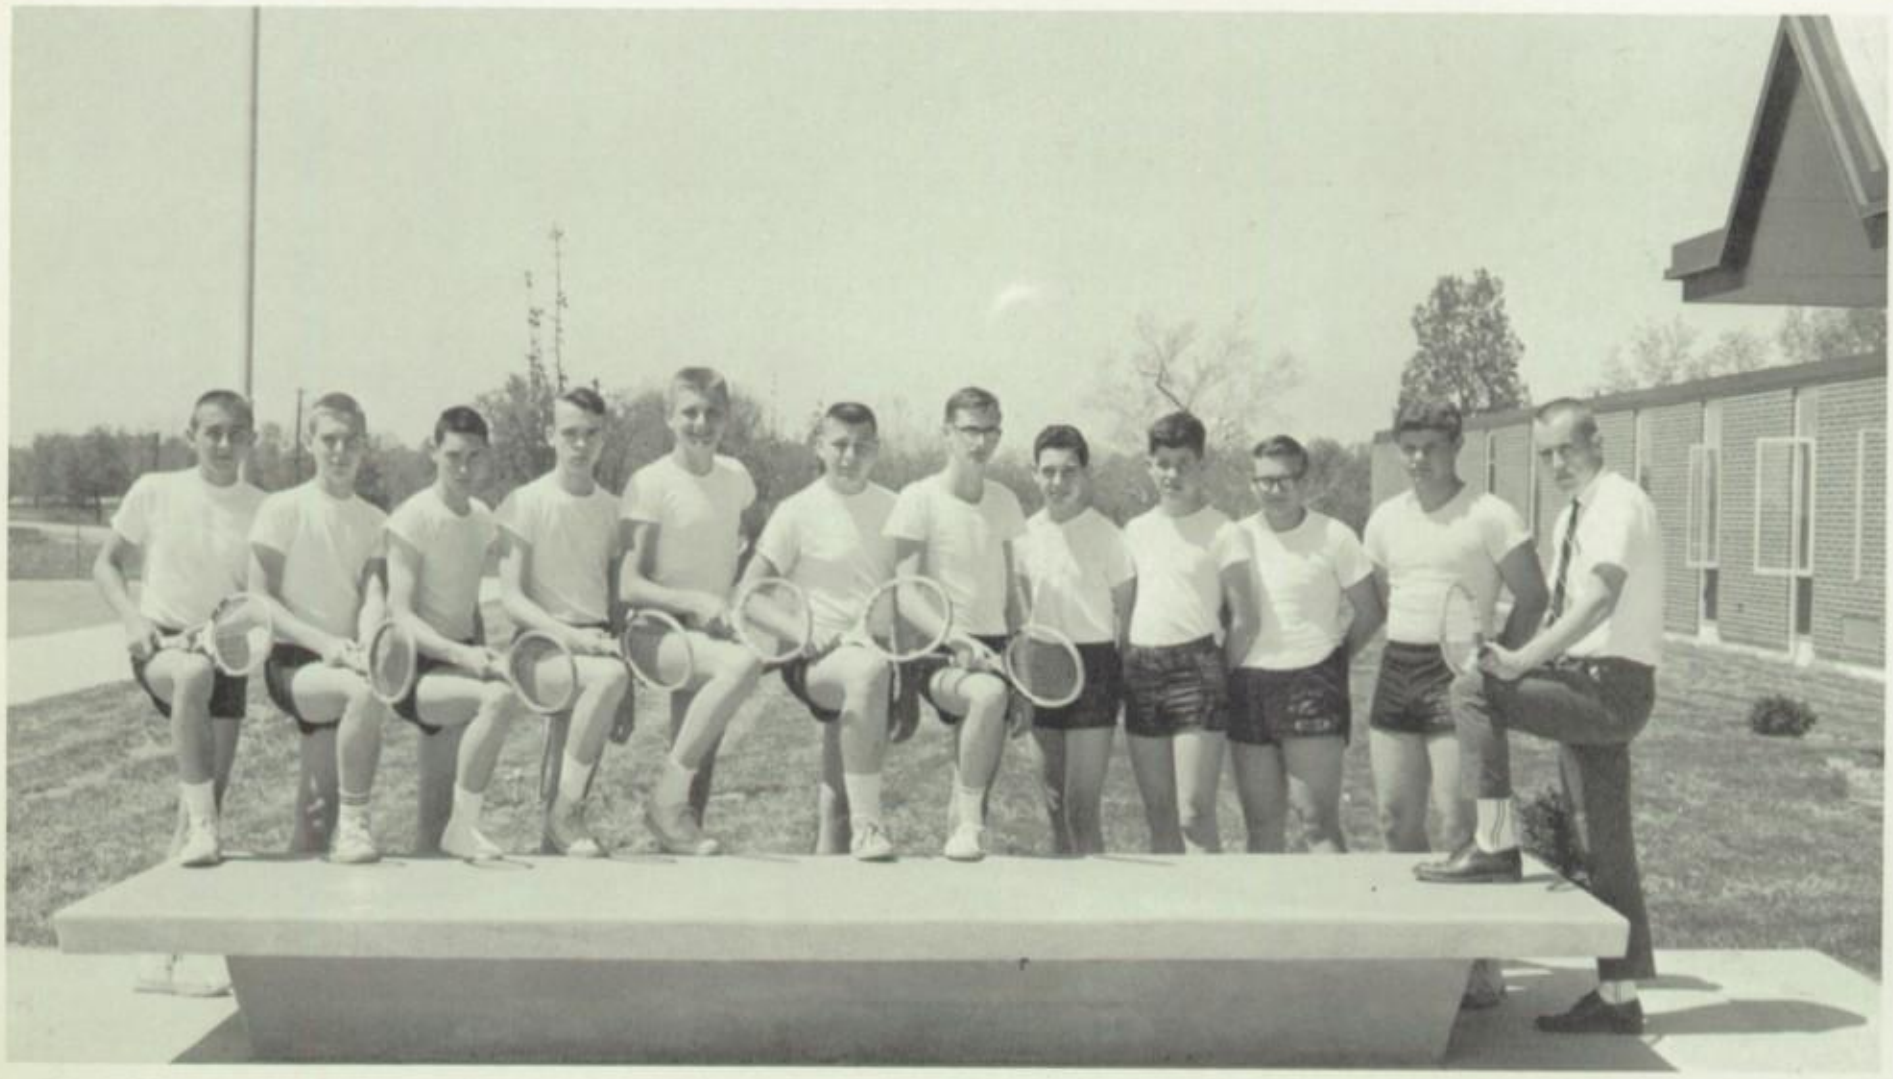
The high point of the season was when Bob Stover ran the 4:40 in the district meet and broke the record which had stood for 22 years. He also qualified for the state meet in the broad jump.

Bob was elected the most valuable member of the track squad.

Most valuable member

Bob Stover

Tennis



Tim Walton, Doug Sampson, Jack West, Todd Spahn, Jeff Walton, Tom Barth, Larry Kiesel, David Curlis, Doug Hufford, Hal Case, Mike Bechtel, Coach Miller.

As all members of the tennis squad were freshmen and sophomores, this year was considered a year of building. A full schedule of matches was held and the Mohawk squad came out on the short end as far as wins were concerned. Several on the squad show great promise and it is evident that Mohawk will make a better showing next year.

To the Seniors - 1965

You have just finished the beginning. You have been pressured from many directions about the future. The future is extremely important but the present is important also.

I would give you only four words of advice "Be a Good Citizen." For the good citizen, all other things that he wants can be accomplished.

Be proud of yourself and your friends, be proud of your community and vocation.

Look to the future as a challenge not as a time of distress and distrust. Don't let what the past generation has done discourage you, and don't let the prophets of doom affect you.

Each of you has a great future, enjoy it and make the most of the years ahead.

Good luck to each of you, you'll always be welcome here.

Sincerely

D. J. West

We, the editors of the yearbook, wish to take this opportunity to thank all our advertisers and boosters, the administration and faculty, Miss Tuttle, our advisor, and the entire staff and student body, without whose cooperation and enthusiasm, we might never have completed the 1965 Mighty Mohawk. This year we innovated new ideas which we hope will contribute to your enjoyment.
